## Welcome To Divine Meadows

Divine Meadows is a meticulously planned residential project located in Noida. The project offers 460 apartments in varying configurations in high-rise residential towers. The entire project has been planned and developed across 4 acres of prime land in Noida. Providing 2 BHK as well as 3 BHK apartments in six size configuration ranging from 980 sq. ft. and 1655 sq. ft. Divine Meadows is the perfect amalgam of style, class and comfort.

### Project USP

- Each tower comprises of at least 20 storeys
- The architecture of these towers is magnificent and impressive
- The interiors are furnished lavishly and opulently
- The safety and security of the residents is ensure by the use of a multi-faceted security system
- 100% power back-up to support the functioning of common and essential services
- Exquisite landscaping surrounds the apartment complex
- Green parks and areas to lounge in, within the complex
