Spaze was established in 2006, with a vision to revolutionize the real estate sector in India and today it is recognized as a progressive and innovative real estate company, with developments in various promising locations in Gurgaon, especially the strategically located Sohna Road. Spaze has launched numerous premium projects in commercial, retail, offices, IT Park and residential spaces. Within 6 years of inception Spaze has delivered 2 million sq. ft. area of projects and is now comprehended as a 'quality-driven and delivery oriented' developer. Started by a group of seasoned industry professionals and visionaries, the company today stands firm on the foundation of passion for quality and aspiration to innovate.

SO, WHAT'S AN APOTEL?

It is the best possible amalgamation of the benefits of a home and features of a hotel.

These are super luxury serviced apartments which means they are homes with the comforts and convenience of a hotel.

HOUSEKEEPING

Why do you think all of us love hotels? One of the big reasons is there is someone else to do the picking after you and take care of every detail, ensuring a spic and span space. Apotel will provide you exactly that. The housekeeping staff will always be available to make every Apotel gleaming and glistening all day through.

R
RETURNS

There are amazing returns on your investment. You can use it as a hotel suite when in town, rent it out when not in use and what's more, we would help you in leasing it out to others, both for long term as well as short term. So, call us today and figure out how it makes business sense to invest in an Apotel.

C

COVETOUS LOCATION

Ideally located on the Sohna Road, the Apotel complex is extremely well connected and has an envious location.
