**Noida One**  
IT PARK - Sector 62, Noida

## Group Profile

Noida One, an ambitious IT project is presented to you jointly by KLJ Developers Private Limited and Pioneers Group.

Noida One is a magnificently sprawling project with 7 lac Sq. Ft. area and looks imposing on a 3 side open plot with landscaping catchment area. A high-tech and high-speed work environment designed around the futuristic and dynamic needs of IT industry, Noida One promises exceptional durability, latest construction technologies and efficient space utilization.

Pioneer Group of Companies & KLJ Group of Industries have embarked on excellent journeys of customer satisfaction in every endeavour they have initiated till date. Where Pioneer Group since 1985 after starting as a Chartered Accountancy firm has since grown as a manifold professional group with diversification in multiple initiatives, at the same time KLJ Group at present stands as a multi-faceted and multinational enterprise with a combined turnover exceeding US \$500 Million.

KLJ Group for almost 40 years has reigned as India's largest manufacturer and marketer of plasticizers, specialty chemicals and plastic compounds in South Asia, forming strategic alliances with global petrochemical giants. Leaving behind its stamp of excellence and channelizing its expertise further into real estate business, KLJ Developers Private Limited, has proved its mettle in this arena by constructing approx. 3 million sq. ft. area of prestigious Commercial spaces, IT Towers, Group Housing, Malls, Education and Healthcare etc. Pioneers Group with its Head Office in New Delhi & branch offices in several Indian cities also has International presence in Latin America, South East Asia & Africa. It has business interests in diverse fields such as Securities, Pharma Exports, Sanitary Imports, Mines etc.

# From aesthetic ambience to futuristic innovations

Noida One IT Park, is built incorporating the classical building design concerns of economy, utility, durability and comfort while giving its occupants optimum space and freedom to work. Crisply immaculate from infrastructure to aesthetics it gives a spotless and fresh outlook to IT businesses and makes a professional statement to your associates. Explore your professional dimensions amid energy efficient designs and ergonomic user friendly buildings, optical fibre cables for racy connectivity, Wi-Fi enabled Towers with large windows, high quality toughened glass to reduce the outer heat and noise from disturbing peace inside, a world class construction to impart ease of movement, work and maintenance. Noida One is a structure where technology flourishes in a friendly environment.
