

# GLORY MEADOWS

B H I W A D I

## Advantage of Glory Meadows

Glory Meadows is thoughtfully located in Bhiwadi, which is a Regional Centre / Priority Town of the National Capital Region and forms part of the Regional plan 2001, for NCR.

Bhiwadi has big location advantages of being very near to Delhi and is well connected by National Highway No. 8

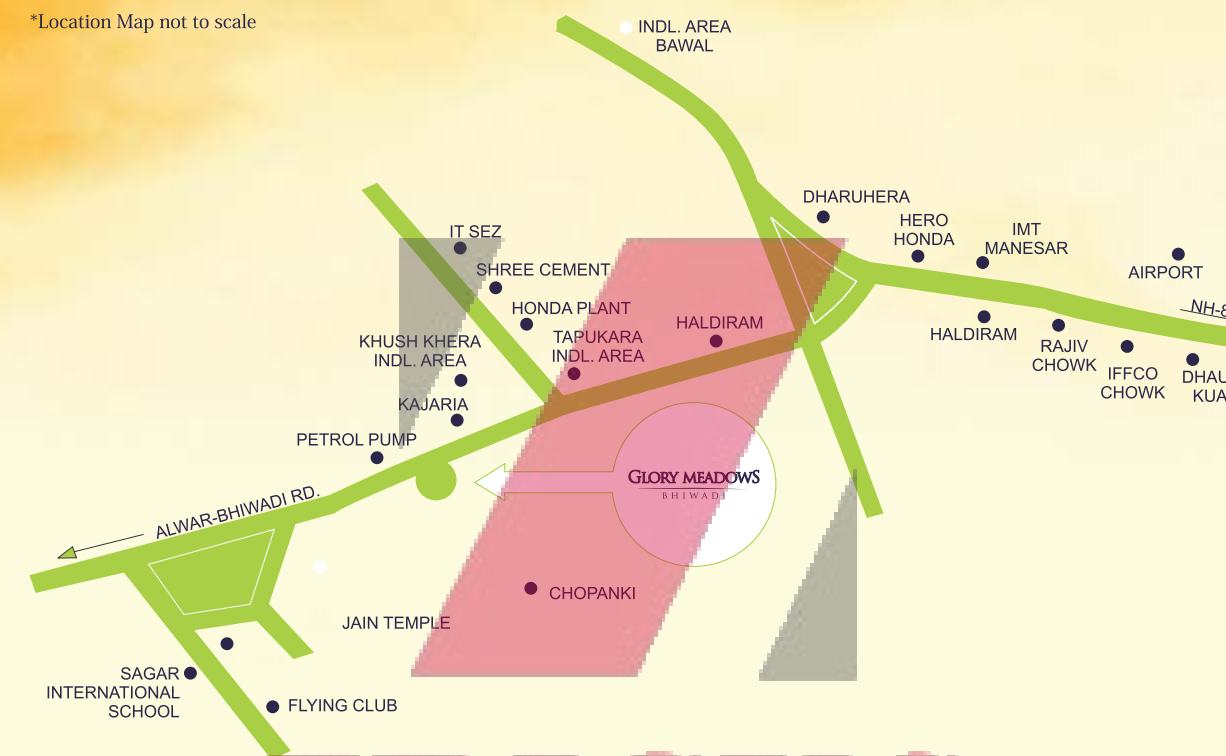

It has been identified by the Govt. of India as one of the investment destinations in the upcoming 1540 Km. Delhi-Mumbai Freight Corridor.

The Rajasthan State Industrial Development & Industrial Corporation (RIICO) is all set to make the Bhiwadi region an automotive hub on the lines of auto clusters of Pune and Chennai. Honda SIEL has taken 650 acres of land in Bhiwadi for its car manufacturing plant, R&D facility and a key ancillary unit.

Presence of other automobile majors like Maruti Udyog, Eicher, Ashok Leyland and Hero Honda along with ancillary units including prominent players like Caparo Fasteners, Climate System, Federal Mogul, Goetze, HiTech Gear, Ocap Chassis, Amtek India, Balkrishan Tyres and Continental Engines amongst others, is facilitating the growth of manufacturing units in the region in a big way. This is bound to trigger demand for quality housing in the region.

Many prominent manufacturing houses like Saint Gobain Glass India Ltd, Orient Craft Ltd, Bausch & Lomb, Gillette India, Videocon and Jaguar Ltd among others have also set up their units in Bhiwadi and are significantly contributing to its growth.

Further, the Super Expressway has been extended upto Jaipur and construction has commenced. Also, in close proximity is the KMP Expressway and upcoming airport in the vicinity.
