iV@lley in G.Noida

There are lot more reason for **iV@lley** to cherish. Located in the heart of G.Noida, **iV@lley** enjoys proximity with all the facilities and excellent connectivity with Delhi, NCR and Agra. **iV@lley** in G.Noida would be an integrated campus, which would house not only a cluster of technology companies but along with it housing and social infrastructure at a reasonable cost.

G.Noida Industrial Development Authority (GNIDA) is the key "Driver" behind the rapid development of the G.Noida. The authority is responsible for overall development of the G.Noida City and it is taking every possible step in sculpturing fresh model of the city.

G. Noida has earned its reputation as one of the premier emerging technology centers in India. The Cosmopolitan city is now the hub of IT and ITES giants (including Infosys, Wipro, Unitech Ltd, NIIT etc.) across the globe. G.Noida has emerged as an ultimate IT destination of the future, leveraging its proximity to the National Capital and availability of quality urban infrastructure including housing.

Knowledge Park, in G.Noida, is a zone where development is taking place at a rapid pace. Availability of quality Urban infrastructure, unmatched business environment & excellent connectivity with other areas have intensified the demand for space in this part of the country.
