The Developer

A reputation for innovation, quality and trust

Established by Mr. Rajendra K. Agarwal, Rajwada Group is one of the leading real estate developers building contemporary residential properties. In just 13 years, the company has delivered multiple projects and has to its credit over a million square feet of constructed area and over 1500 satisfied residents. RAJWADA GROUP was established with property development as its main focus.

Mr. Rajendra K. Agarwal and his three sons are known for professionally managing the organization with a stable and confident business model. The Organization has shown an impressive compounded annual growth rate - even during difficult market and business cycles. And in the process of successfully negotiating changing conditions, Rajwada Group has created a brand name that stands for trust, reliability and innovation.

Towards creating holistic environments

The high standards for which we are known are constantly being upgraded by a high-caliber team. We draw upon a national and international pool of professional associates, employ modern construction technology and work in a professional environment supported by the best practices of management.

Our vision and endeavor have always been to create modern living and working environments - and provide a better quality of life for people who inhabit them.

We warmly invite you to explore our world, visit our projects, meet our people, and discover how we work and what we have achieved.

Our vision is to build a future wherein Rajwada Group is a household name across the country and is known worldwide for creating unique landmarks and superior community living by maintaining highest standards of quality to ensure customer delight.
