NEO

.....TOWERS.....

.....  
I - 4 BHK HOMES

NEO Towers at Amanora offers a fantastic blend of everything a smart homebuyer seeks. At NEO Towers, everything from its location within the township to the very design of the apartments to the amenities is smartly planned and promises to appeal to the sensibilities of every family member.

First things first. NEO Towers enjoys a location which makes the term 'strategic' seem like an understatement. Situated right at the entrance to the Township, NEO Towers has the bustling Amanora Town Centre as its neighbour and is yet far removed from the bustle of the main road traffic. It also has easy access to township amenities and features, making it a smart location by all means.

**No Expectation  
Overlooked**

An architectural rendering of a modern residential development. The scene features several tall, multi-story apartment buildings with a mix of grey, white, and blue facades. The buildings have prominent balconies and large windows. In the foreground, there is a lush green lawn with several trees and a few butterflies. The sky is a clear blue with a few birds flying. The overall atmosphere is bright and modern.

Smart homes for  
like-minded individuals.

Every apartment is so designed to optimize space and functionality. Well-ventilated and smartly sized, the homes here will give you a sense of having arrived in life. Never bad for the ego you see.

Designed by P & T Singapore, the smartness of the project reflects right from the very elevation itself. An imposing entrance with a dash of glass in the façade makes it trendy, contemporary and extremely appealing.

## **P&T Singapore. One of the world's leading Architects.**

P&T Consultants Pte. Ltd. Singapore is a part of the International P&T Group, and offers architectural, master planning, civil & structural, mechanical & electrical engineering consultancy services. Committed to the pursuit of excellence in architecture, the firm was established in 1972 and has ever since successfully completed a wide range of prestigious mixed use projects, both in Singapore and overseas, including offices, residential developments, hotels, retail complexes, community spaces, institutional and educational buildings. The company is staffed with over 300 professionals, including architects, civil & structural, mechanical & electrical engineers. Special emphasis is placed on the visual, spatial and functional elements of design, in order to create buildings that are aesthetically pleasing and sympathetic to their surroundings.

Some of their projects include:

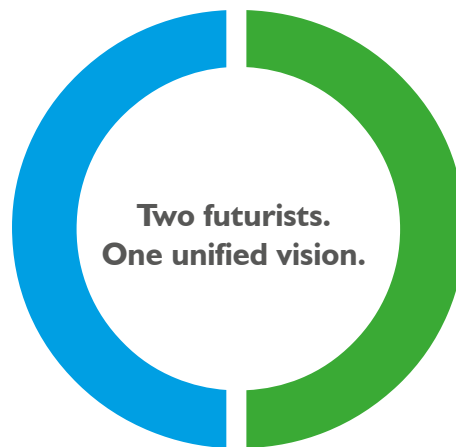

Harbourside, Hong Kong

One North Residences, Singapore

Maple Tree Business City, Singapore.

P&T Singapore and City Corporation are futurists in the real sense. While P&T takes architectural design and aesthetics beyond mere buildings and focuses on the enhancement of the environment and creates a sense of place, City Corporation's pursuit is to create holistic and futuristic environments for its citizens. P&T is an integral part of Amanora, and has already collaborated on three key projects, with NEO Towers being the fourth and the latest one.

**Two dedicated Schools.  
Where fun and education play together.**

Amanora takes complete care of you and your family. Reason why its residential hub is strategically located close to many excellent schools, two of which are already functional; the Pawar Public school and the Pearson school. And thanks to Amanora's innovative 'walk-to-school concept', which is all about special vehicle-free walkways and dedicated cycle tracks, your child will be guaranteed maximum safety while walking to school without facing any interference from road traffic. Mothers can now finally breathe easy.

**Amanora Town Centre.  
Feel the pulse of life.**

Amanora Park Town is the result of meticulous planning by some of the world's leading town planners, international architects and visionaries, keeping an enriched quality of life in mind, equal to the best across the world. Amanora Town Centre is a vibrant, all-day destination centre, replete with nightclubs, an 8-screen multiplex, over 30 restaurants, coffee bars and activity zones.

It is home to high-end, international fashion and luxury brands including Mango, Marks & Spencer, Vero Moda, Alcott, Esprit, UCB, Hush Puppies, Swatch and many more.

Located right here in the centre of the township, Amanora Town Centre puts high-quality entertainment at your doorstep.

**Temple of Environment.**

Amanora Park Town is home to the world's first and only Temple of Environment, an installation dedicated to Mother Earth, built to renew our commitment towards a greener tomorrow.

**A world of digital delights.**

At Amanora Park Town, we've infused technology in your daily life and redefined easy living. Take the pre-paid electricity and gas meters, the digital locking system or the console that connects to the Amanora portal. You'll find all of these in every Amanora home. As for external connectivity, with our pre-paid bill payment systems, IP phones and broadband connections, you have the world at your finger tips. Quite literally. After all, we're a 400 acre futuristic community with a network of citizens. All connected to each other.

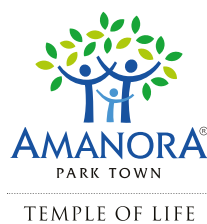

**Hadapsar-Kharadi Bypass.  
The birthplace of a dazzling future.**

Situated in eastern Pune, Hadapsar first came into the spotlight with the establishment of Special Economic Zones (SEZs) of Magarpatta city and Fursungi IT Park. Both these SEZs revolutionised Hadapsar, turning them from low profit, agro-based areas into highly developed, vibrant commercial and residential hubs, at par with developed suburbs of the West. And now with Amanora, this belt has become one of Pune's most sought after lifestyle address. Welcome to an amazing future at amazing Amanora.
