Transcend the visible realm in revelations of the brighter reality.

*Bringing the future  
into focus in the expanse  
of infinite fulfillment.*

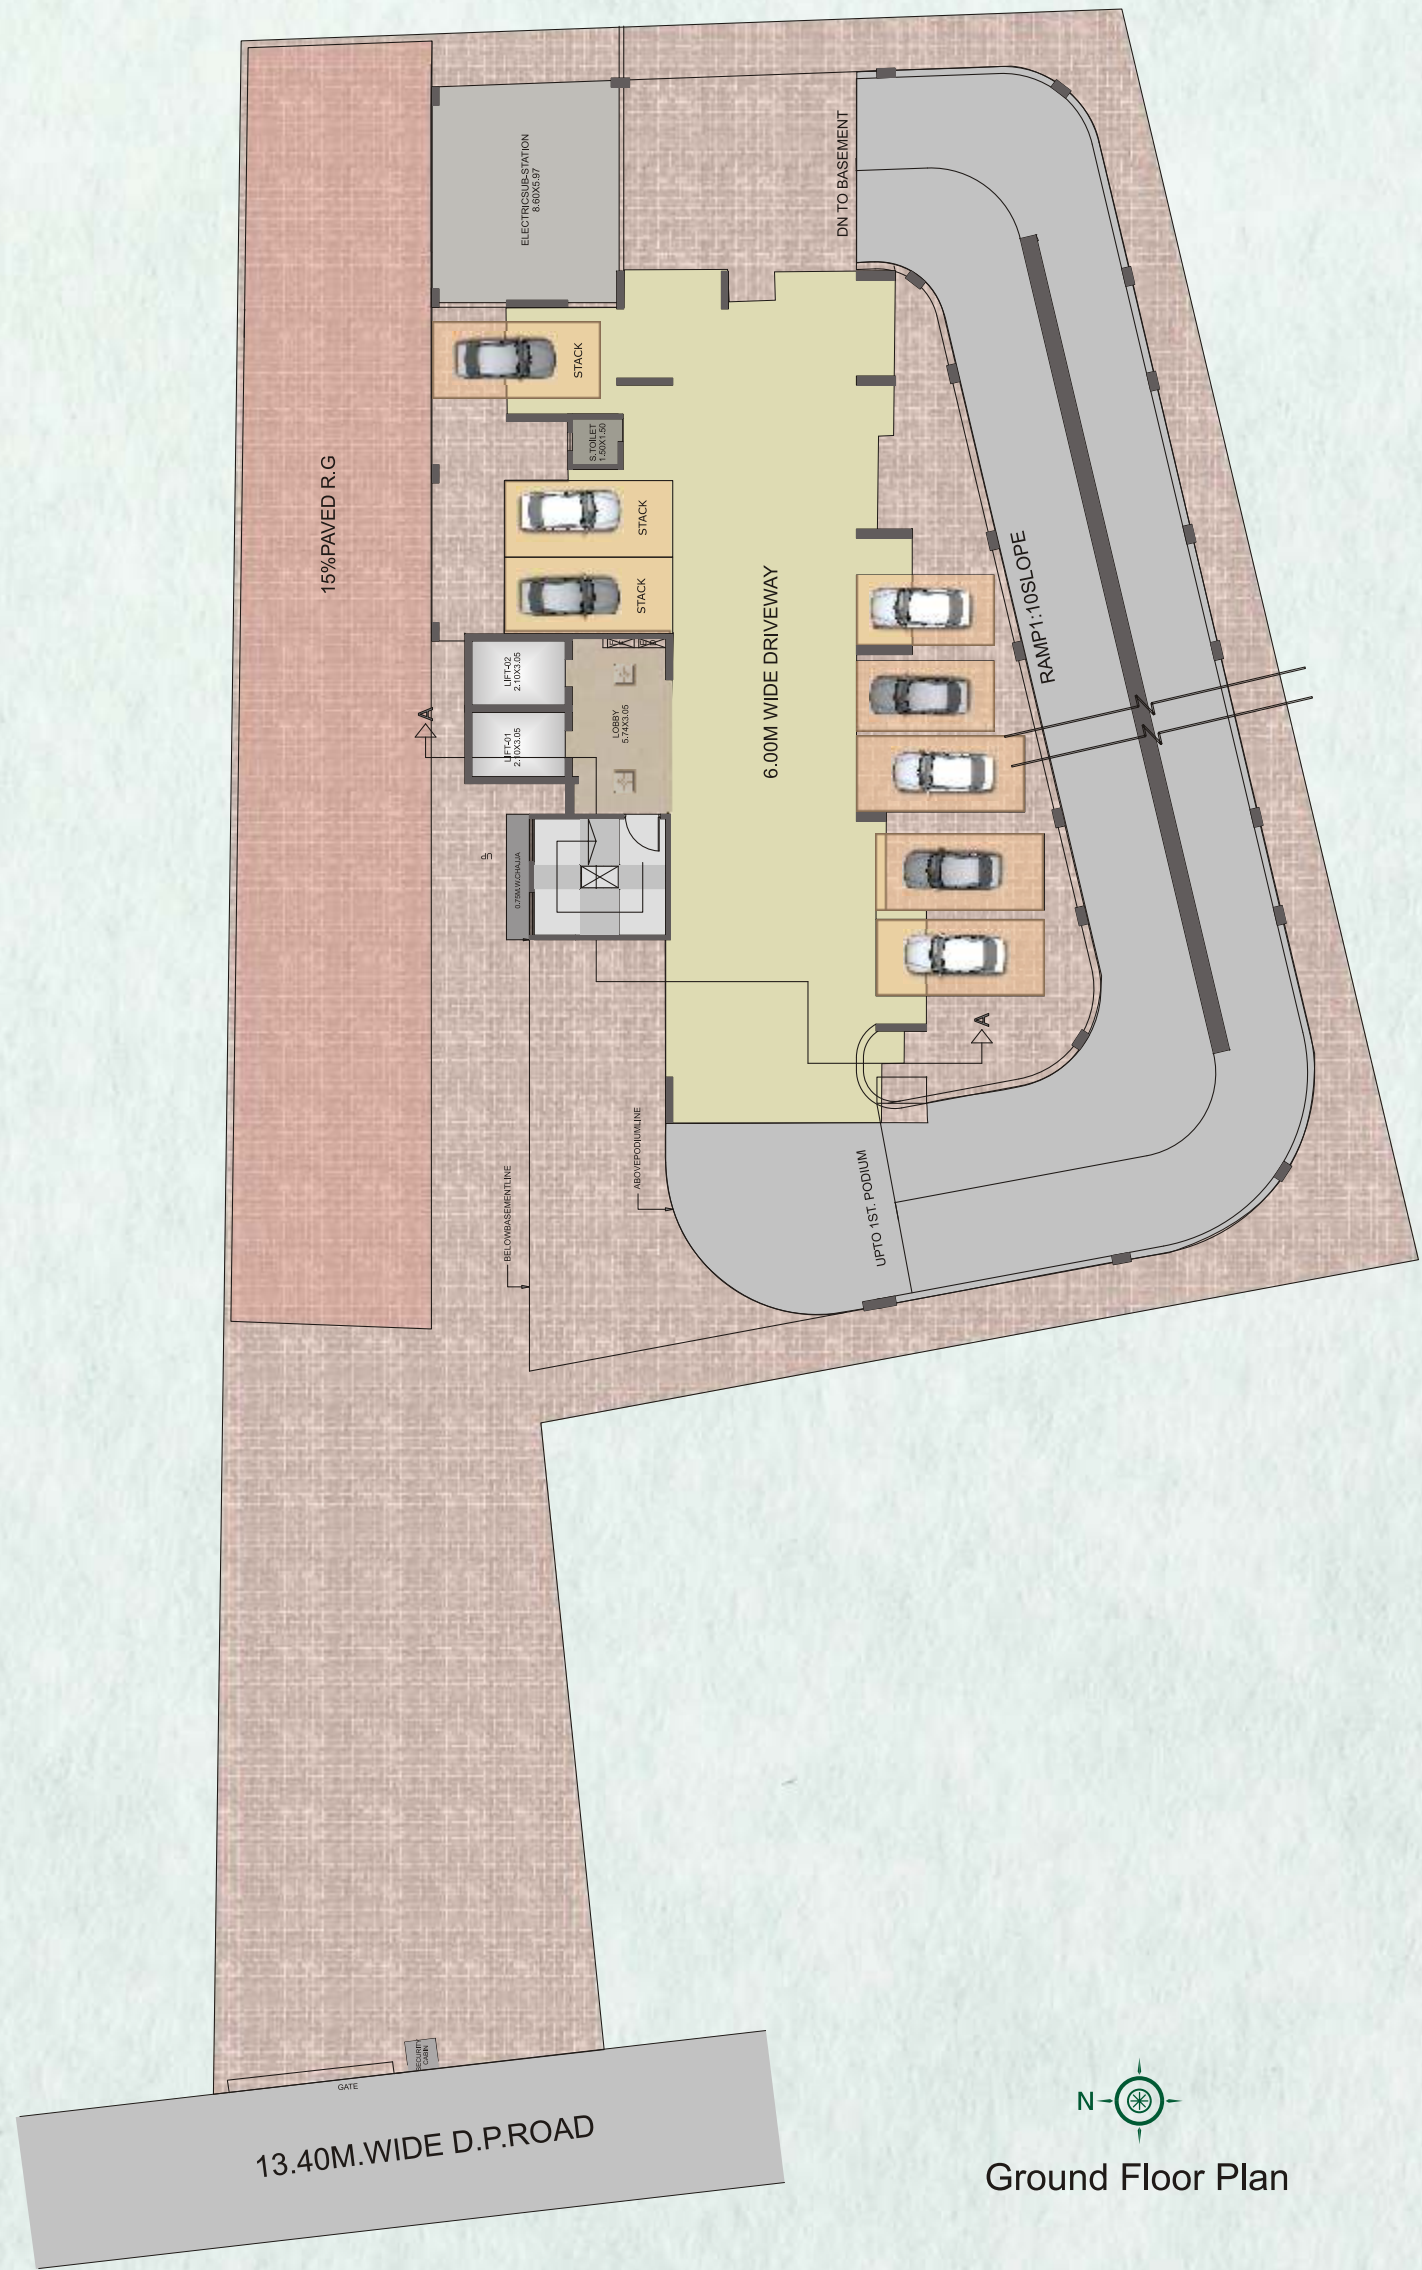

Sabari Horizon offers you a fresh perspective on life. Amidst a cramped world that seems to be getting smaller by the minute, we bring you the luxury of spacious homes overlooking a canvas of scenic beauty, encouraging you to envision an unlimited dream. Gaze out on the expanse of the horizon, as this magnificent 20 storey wonder, towers above lush greenery, with its Ground plus 3 level podium and 17 upper floors.

Located just next to the famous Raj Kapoor bungalow on Deonar Farm road, in the residential area of Chembur, Sabari Horizon offers a spectacular mountainside view to each of its tastefully designed 3 BHK homes. Each floor offers 2 sprawling apartments that have been thoughtfully designed and finished in sophistication. These large windowed homes allow a flood of natural light to enter while maximizing cross ventilation, with windows spanning the lengths of each of the three main sides of the apartments.

Sabari Horizon is the ideal residential address for those looking to live in a luxurious yet wholesome family atmosphere. The gym, fully equipped with a range of state of the art exercise equipment creates the ultimate fitness experience for all ages and the kid's play area provides children an enchanting recreational escape from their busy school activities.

The creation of this masterpiece is the realization of our dreams for you. Now it's time you gift yourself the opportunity of seeing beyond the Horizon.
