**BECAUSE YOUR TIME IS PRECIOUS**

All government dues paid so no legal hassles for you

The Urban Village is the flagship project of Galaxy Group. Spread across 100 acres, it is perhaps the biggest gated township of Rajasthan. Much more than just a township, it is the realization of our vision to bring the calm environs of village closer to the city. With luxurious farm houses, villas and wide open spaces, this may just be the place you are looking to get away to.

Holiday home today, prestigious address tomorrow.

Resonates with our ethos.  
Symbolises enlightenment, strength, the universe and the infinite.

Eventually, everything connects.
